We urge concerned members of all politically affiliated organizations (i.e., local clubs, County Central Committees, etc., and **especially if you will be participating in the Republican Party's Historic Online Platform drafting process (submissions will be reviewed starting on Tuesday, August 26th)** to push for the adoption of the following resolution as a Plank of your National Party Platform:

Proposed Paper Ballot Platform Plank — Verified Elections:

“Be it resolved that we shall demand, actively work for, and support reliable, fraud-free elections by requiring that all voting systems shall provide a paper ballot, marked and verified by the voter, as the ballot of record.”
